## The Benefits

By participating in the SAT® School Day administration, you get great benefits with SAT School Day fee waivers, including:

- Unlimited score reports over the user's testing lifetime (available in your account in late April)
- College application fee waivers to use in applying to participating colleges for free, delivered directly to you at the beginning of senior year
- Free CSS Profile® applications for financial aid
- Free Student Answer Service (SAS) or Question-and-Answer Service (QAS)
